

To utilise the points drivers will be required to subscribe to the provider - Monta.

Monta EV Charging

The details on how to sign up with Monta are as follows:

1. Download the Monta EV charging App on Google Play or the App Store depending on your device.
2. Sign up for an account with Monta.
3. Once signed up go to the map and select the QR code symbol in the top right hand corner and tap this.
4. A popup "Scan sticker will appear", select "Take a picture of QR".
5. Point the camera at the QR code above the socket that you want to use, the socket details and tariff will appear.
6. Select "go to payment" and then add your payment details in to the app.
7. Select "slide to charge" and the vehicle charge will commence.

What do the lights mean on the points?

Flashing blue light – Ready for Smart Charging

Fixed blue light – Cable plugged into vehicle but not charging

Fixed green light – Charging in progress

Solid red light – Fault with the point
